

Advanced

5 DAY COURSE

Go beyond the **CORE** fundamentals and gain a more comprehensive understanding of the SMP process and the techniques used. Refine your skillset to propel you to become an even stronger practitioner.

Our **ADVANCED** course is built on top of our **CORE** course allowing students to have additional time on the clock to become more comfortable as a practitioner. It assists students with improving and refining their skillset. This course emphasizes heavily on hairlines, dot placement, skin type concerns and more. This **ADVANCED** course is a unique opportunity for anyone who is seeking to take the extra step in developing as a practitioner and improving their overall knowledge during treatment sessions.

Refining your SMP skillset!

COURSE EXPECTATIONS

Upon the completion of course you will be able to:

- Improve hairline styles and looks
- Create custom ink tones
- Become more comfortable with skin types and ink applications
- Significantly improve SMP techniques needed to create a natural SMP look

OUR PROMISE!

We strive to provide each of our students with the knowledge needed to begin their pursuit in the SMP industry. We promise to give you the education that is engaging, meaningful and impactful. We promise our hands-on trainings will allow you a sense of comfort knowing that you're headed towards success and giving you a peace of mind that we're always here for you when you need us!

Includes CORE 3 Day Course Objectives

This **ADVANCED** course includes everything outlined in our **CORE** course which includes an introduction to Scalp Micropigmentation (SMP), safety and sanitation, color theory, equipment handling, hairline design, pigment application and skin anatomy, basic techniques, hair replication and SMP aftercare.

Day 4 Highlights

Hands-on sessions and shadowing of clientele to gain insight on the SMP procedures. Detailed and more in-depth training on hairlines, density and blending.

Day 5 Highlights

Understanding depth control and its impact on skin and overall SMP aesthetics. Continued hands-on experience and a unique one-on-one coaching that focuses on areas of improvement based on each student's needs.
